

Airlink is South Africa's leading regional airline, connecting **37 destinations in 9 African countries**. We connect travellers seamlessly on a single-ticket itinerary, providing them with peace of mind should there be any interruption to their journey. Airlink has the resources and expansive network to get travellers where they want to be, when they want to be there.

A combination of our flights provides the opportunity to link multiple destinations within the sub-region. For example, travel from Johannesburg to **Nelspruit KMIA** to enjoy a Lowveld safari, then travel to the majestic **Victoria Falls** in Livingstone, **Zambia**. From there, transfer to **Kasane** in **Botswana** to enjoy an African river safari on the Chobe river. Thereafter, exit via Kasane to Johannesburg or extend the journey to enjoy an **Okavango Delta** safari experience. You can then fly from Maun to **Johannesburg** or continue onwards to **Cape Town**.

Airlink also flies from Nelspruit KMIA or Johannesburg to the paradise island of **Vilanculos, Mozambique**, gateway to the exotic **Bazaruto** and **Benguerra islands**.

Alternatively, if the Sabi Sand is your preference for safari, let Airlink whisk you from Johannesburg or Cape Town to **Skukuza Airport**. Take advantage of Airlink's lodge link service to travel the final leg direct to the doorstep of your chosen safari lodge destination.

At Airlink, we make it easy to access the unique destinations in our region. Experience a game drive in the morning, sundowners on a beach in Mozambique, a cruise on the Zambezi or sip cocktails overlooking the Atlantic Ocean in Cape Town. The choice is yours.
